

— Motif PorkWorks™ Plant-Based Grounds

Rich, meaty flavor

Menu versatility

Plant-based

Menu what matters to consumers – an authentically meatier experience, from plants. Made with our breakthrough taste and texture ingredients, Motif PorkWorks™ Plant-Based Grounds have more of the authentic meaty flavor and eating experience that consumers want. The mild pork flavor provides the perfect platform for seasoning and sauces. Combine that with the superior cooking and handling performance needed back of house and you have a product that elevates your business. Vegan. Gluten Free. Product of the USA.

“
Motif gave us the flexibility to produce menu options that fit perfectly into our cooking platform and gave our guests an elevated plant-based experience.”
